

HAPPY NEW YEAR

January – April 2009

We have accomplished much – we're on the website! This is a new year with much to praise the Lord for and exciting things to look forward to.

I just want to thank all the exceptional volunteers that make this Nursery so inviting and the Parents feel so at ease leaving their children in our care.

It takes a little commitment to get up a little earlier those Sundays that you serve and to remember to check which week you are serving and smile through the Sunday surprises you might encounter with new Parents, dirty diapers and longer sermons – Ha Ha. But for any of you that have worked in Nursery, you know it is worth it all, just to care for one of God's precious little ones and take the memories and the laughter with you when you leave.

You are a dedicated bunch and I applaud your love and continuation of serving God in such a wonderful way.

Please remember to turn the heat down, lights and music off when you leave. And when you can't make it – please call the next person and so on until you can trade.

Think of me as your last resort as I get an over abundance – ha ha.

If you haven't had time to fill out the forms for Pastor Jon which are kept confidential – you will find them as you click out of this form.

I will miss Emily M. who is working nights but Susan M. was terrific to step in and take her place. Kristen P. will be coming back from Alaska soon – she's one talented girl – I think we've already experienced Alaska here recently!!!

Take care all of you exceptional volunteers and I look forward to working with you and the children in 2009.

Love in Christ,
Twila & Thelma
Nursery Coordinators
