WHEN YOU REALIZE YOU HAVE A PROBLEM INSIDE YOU,
YOU HAVE A FIGHTING CHANCE TO WIN THE WAR AROUND YOU

rejecting or ignoring God in
the world he created,
rebellling against him by living
without reference to him,
not being or doing what he
requires in his law.

Isaiah 1:2–6

2 Listen, O heavens, pay attention, O earth! For the Lord speaks: "I raised children, I brought them up, but they have rebelled against me!

**1. SIN AFFECTS GOD'S
PEOPLE THE SAME AS
EVERYONE ELSE**

If only there were evil people somewhere insidiously committing evil deeds, and it were necessary only to separate them from the rest of us and destroy them. But the line dividing good and evil cuts through the heart of every human being.

“

Aleksandr Solzhenitsyn

Sin is not only unreasonable but also unreasoning, unable to draw proper conclusions and make appropriate responses.

Alec Motyer

“

3 An ox recognizes its owner, a donkey recognizes where its owner puts its food; but Israel does not recognize me, my people do not understand."

**we fail in who we are
because we forget whose

4 Beware sinful nation, the people weighed down by evil deeds.

They are offspring who do wrong, children who do wicked things. They have abandoned the Lord, and rejected the Holy One of Israel. They are alienated from him.

The prophet contrasts four terms of privilege

2. SIN CORRUPTS THE SUFFERER AND THE ABUSER

4 ...They have abandoned the Lord, and rejected the Holy One of Israel. They are alienated from him.

5 Why do you insist on being battered? Why do you continue to rebel? Your head has a massive wound, your whole heart is sick.

6 From the soles of your feet to your head, there is no spot that is unharmed. There are only bruises, cuts, and open wounds. They have not been cleansed or bandaged, nor have they been treated with olive oil.

**Our sin is active rebellion
against God and leads to
alienation from God**

2 Corinthians 11:3

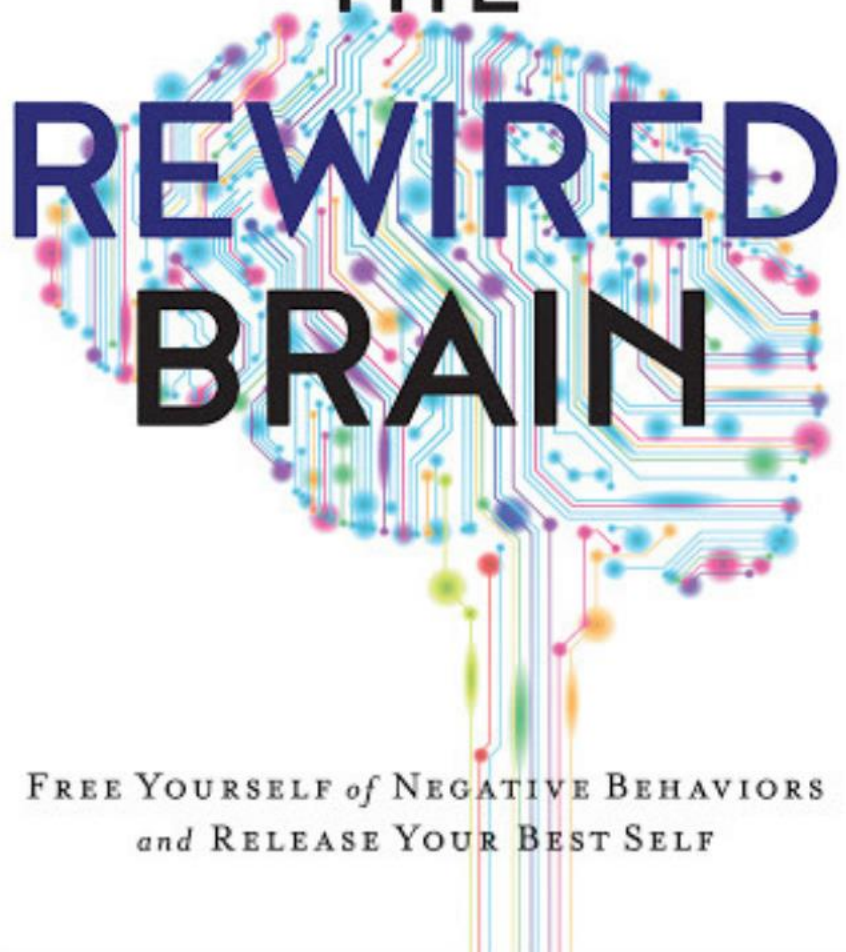

But I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ.

God created your brain with something called neuroplasticity—the ability to change the DNA of your brain. The thoughts we choose to think, actually have the power to change the dysfunction in our brains

Sometimes you need to know
that what you **will to do** has
to supersede what you
want to do

By dealing with the head and the heart, God is also tackling the emotions and feelings.
